## WORK EXPERIENCE

Boise State University

**Audio/Visual Technician**

BSU Student Union Building, Boise, ID  
September 15 – Present

- Worked with clients to effectively handle any video and/or lighting changes for events.
- Set up rooms solo for large events with significant audio and visual components (Computer presentations, projectors, microphones, lighting changes)
- Working with other technicians to set up and run events.

## Patriots Landing

Dishwasher

Patriots Landing, Dupont, WA

June 2018 – July 2020

- Worked in timely manner to ensure servers had clean dishes, cups, and silverware.
- Ensured everything was organized in its proper location to provide ease of access and prevent unnecessary injury.
- Worked with servers on Sundays to provide extra dishes and set up buffet tables and helped bring out buffet dishes.

## Sumner 2019-2020 Yearbook Crew

**Photographer/Page editor**

Sumner High School, Sumner, WA

September 2019 – December 2019

- Was solely responsible for several pages of the school yearbook, from taking photographs, page construction, and page design, and completion within a deadline.
- Organized days to take pictures needed for assigned pages as well pages for others with the necessary individuals (i.e., Coaches, fellow yearbook participants, etc.)
- Spent tens of hours on assigned pages, ensuring specific standards were met, while still representing the contents of each page in a dignifying manner.
